We here at Hoffman Auto School, Inc. understand that every student learns differently, and we are here to help. We want to make sure that you, the student, gets as much information as you can, in a manner that is comfortable for you, and is in an environment that helps you succeed. While we can't accommodate any requests that could possibly interfere with, or hinder a safe driving experience, we promise to do everything we can to fulfil your requests. Please let us know what we can do....
Hoffman wants you to thrive!!!

Would any of the following accommodations be helpful to you during your classroom or in-car lessons?

Preferential Seating Close to the Teacher Using a Laptop/Chromebook to take notes in class

Extra Time and Quieter Space for Tests Movement breaks (upon request) during classroom or in-car lessons

Limiting Observing Students in the car to help minimize auditory distractions while driving

In-Car Reminders to use self-calming or anxiety-reducing techniques

Limit number of different instructors (We Can't guarantee the same instructor every lesson, but we will try)

A Private Meeting Before the Classroom or In-Car Lessons begin to discuss concerns or worries

I have some accommodations in school (504/IEP), not listed above, that I also would like to have during Driver's Ed. (To Be Discussed later in a private conversation or correspondence)

All information regarding accommodation requests will be kept confidential.

Driving and classroom instructors who will be interacting with you will be informed of your requests to ensure you receive the best experience possible.

Do You Have a Promo Code or Student Referral? YES NO
